I think you'd  
be surprised  
how much  
crossover  
there is  
between anti  
current  
government  
and anti any  
government...

you.  
  
This bullshit is no longer about an election. The election is a catalyst that catapults a movement like this forward. You don't just stop cause our guy was cheated and his office was stolen. You do everything possible to fight back according to the dec of independence. If you don't then the revolution was all for nothing.
